November 21, 2011

Letter: li Color: white

Unit: Water World

This Week:

Monday	P.E., Library
Tuesday	P.E., Music
Wednesday	Music
Thursday	Art , Mongolian SHOW and TELL
Friday	No School

Notes for Parents:

- * This week we will be learning the sound for the letter I. We will also learn to print the letter I. The students can bring items that begin with I for the ABC table. Items will be returned on Thursday.
- *Our color this week is white. The children can wear something white on Thursday.
- *For Show and Tell on Thursday the children can bring one item that either begins with I or is white. They should be able to tell us what they brought and why. Please do not send toys that do not fit into the weekly category.
- * We will continue our inquiry "Water World". We would like the children to bring the word for water in their native language or another language you know, just write it in the news book.
- *In Math we will learn about ovals and diamond shapes. The children may bring something that is oval or diamond shaped for Show and Tell on Thursday.
- *Thank you to Temuujin, Timothy, Samandbadraa, Grady, Nate, Itgelt, Lauren and Daniel for bringing such delicious international snacks last week. The children enjoyed trying new flavors!
- *Please be sure to send your child to school with mittens or gloves, a hat and warm waterproof boots.. We would like to go outside on Tuesday, so please send snow pants as well on Tuesday.
- *Although our classroom is warm, the children should be dressed in long sleeves now. It is a bit cooler in other parts of the building that we walk through and short sleeved tops are not warm enough.
