Letter: Mm Unit: Water World

This Week:

Monday	P.E., Library	Please return books and bags
Tuesday	P.E., Music	
Wednesday	Music	
Thursday	Art , Mongolian	
Friday	Art	

Notes for Parents:

- * This week we will be learning the letter and sound for M. ABC books will be coming home on Monday and should be returned by Friday. Students may bring items that begin with M for the ABC table. These items will be returned on Friday.
- *For Show and Tell on Friday the children can bring any one item that begins with M or is used with water. They should be prepared to tell the class what they brought.
- * We will continue our inquiry "Water World". We will be learning about steam. We will be learning ways people use steam in daily life.
- *In Math we will be learning to sort items by color. We will continue to review counting to 15.
- *We loved making our lime lollipops last week. If you would like the recipe, please let us know.
- *The second quarter is coming to an end this week. The major skills we have covered are counting to 10, identifying shapes, producing the sounds of letters A-L, tracing and cutting curved lines, and printing our first names. Please continue to practice these skills at home.
- * Our Student of the Week program starts this week. When it is your child's week please send in something small, such as a photo, souvenir or other item that is special to your child for the display. Items can be brought in on Monday and will be returned on Friday.
