| Tuesday | P.E., Music | Snow play! Bring your gear! |
| Wednesday | Music | |
| Thursday | Art , Mongolian | PRE-SCHOOL ASSEMBLY 8:30 |
| Friday | Art | |

Notes for Parents:

* This week we will be learning the sound for the letter J. We will also learn to print the letter Jj. The students can bring items that begin with J for the ABC table. Items will be returned on Friday.

*Our color this week is black. The children can wear something black on Friday.

*For Show and Tell on Friday the children can bring one item that either begins with J or is black. They should be able to tell us what they brought and why. **Please** do not send toys that do not fit into the weekly category.

* We will continue our inquiry "Water World". Thank you to those of you who sent your water word and pictures. This week we will be discussing the uses of water and having a few cooking experiences. Items used with water may also be brought for Show and Tell on Friday.

*In Math we will learn about star shapes. The children may bring something that is star shaped for Show and Tell on Friday.

*Our Pre-School assembly will be Thursday morning at 8:30. Please have your child in the classroom by 8:15. We will see you in the Music room. Our performance is very brief, so please be punctual.

*Please be sure to send your child to school with mittens or gloves, a hat and warm waterproof boots.. We would like to go outside on Tuesday, so please send waterproof snow pants as well on Tuesday.

*Although our classroom is warm, the children should be dressed in long sleeves now. It is a bit cooler in other parts of the building that we walk through and short sleeved tops are not warm enough.

*Please be sure to record your child's lunch choice in the newsbook. We do not want to forget to order anyone's lunch.
Thanks.
