Notes for Parents:

- * This week we will be learning the sound for the letter H. We will also learn to print the letter H. The students can bring items that begin with H for the ABC table. Items will be returned on Friday.
- * There is no color of the week this week. Instead the children can bring items from their culture to share with the class.
- *For Show and Tell on Friday the children can bring one item that either begins with H or is from their home country. They should be able to tell us what they brought and why.
- * We will continue our inquiry "Water World". Please send pictures of all types of water that we can use in our collage. We need the pictures by Wednesday. Thank you Nate and Megan for bringing pictures for the collage. We would also like the children to bring the word for water in their native language or another language you know.
- *In Math we will learn about rectangles and continue with the numbers 5,6 and 7.
- *Thank you to Nate and Gyu Bin for volunteering to bring international snacks next week. If you can bring a Mongolian snack on Monday or an American snack on Tuesday, please email me at p.mewbourn@isumongolia.edu.mn.
- *Please be sure to send your child to school with mittens or gloves and warm waterproof boots.. We have been enjoying our new climbing equipment and slides, but the bars can be a bit cold without protection. We also would like to play in the snow before it gets much colder.

*Hope to see all of you at the International food Evening Sunday at 4:00 pm.

*Don't forget to read the Medee for information about International Week November 14-18. The children will need Mongolian dress for Monday, Nov. 14 and their National dress for Thursday November 17.
